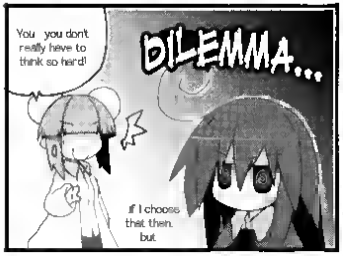
Team up with lo, team up with lo...
That's all for today's class.
Well then, for the upcoming cooking class, please decide on a group before Monday
Rise

Isn't eating lo-san's handmade cooking also a good idea?
Tsumikki-san please hold on
Stop
What

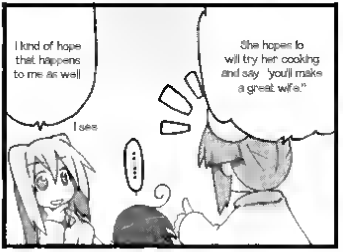
So what do you prefer?
e good wife
You'll make
Do that and you will also be able to share your cooking with lo-san
!?



You... you don't really have to think so hard!
DILEMMA...
If I choose that then, but

That's because
I'm fine
Miniwa-san are you really fine with not being in the same group as Otonashi-kun?
That's rare

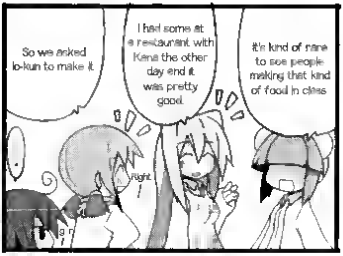
With Otonashi in our group it feels like we could easily make something delicious
Me too
Cooking Class
I'll be in your care Io-kun~



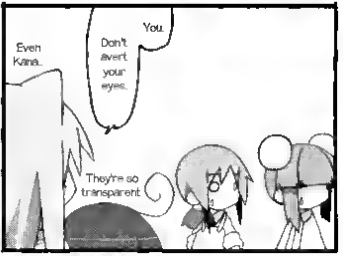
I kind of hope that happens to me as well
I see
She hopes Io will try her cooking and say "you'll make a great wife."

As for us we'll be making hayashi rice
Hamburger stew
Miniwan what's your group working on?
Hashed beef rice

By the way how is Mayoi-san's cooking?
Tum
Tsumiki-san is good at cooking, so I'm sure Io-kun will say it



So we asked Io-kun to make it
I had some at a restaurant with Kana the other day and it was pretty good.
It's kind of rare to see people making that kind of food in class
Right!

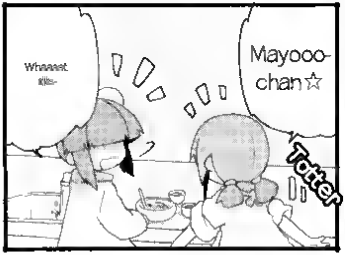


Even Kana..
Don't avert your eyes.
You.
They're so transparent

In the end she still wants to be in the same group with him
Isn't that play biting!?
Tsumiki?
Ow
Hm?
It doesn't really hurt
Nom!

Is that so?
Seems like it's because the odour of the onion goes into the nose and irritates from there
Oh yeah, did you know that onions don't make us cry because of direct contact to our eyes?
My eyes

You're gripping it too hard
I'm the type of girl who can't crack an egg properly
I CAN'T EVEN... CRACK AN EGG...

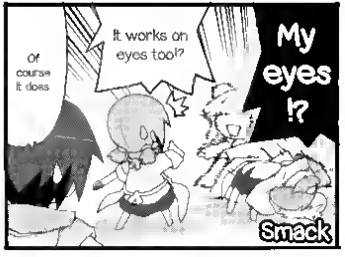


Whaaaat little-
Mayooo-chan☆
Totter

Mm
Wobble
Tsumiki-san, please teach me how to break it perfectly
Lift

-it?
Right in the eyes☆
Squeeze
Take that~
Direct Hit

KNOCK
SPLIT

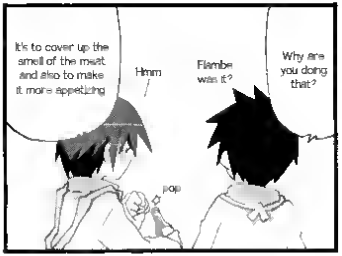


It works on eyes too!?
My eyes !?
Of course it does
Smack

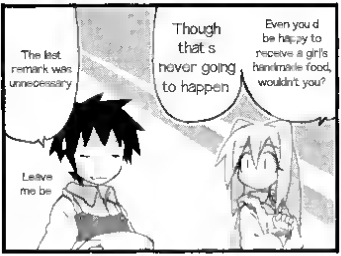
Like
HOW!?
Like this.
Splash

Why you
That's a joke a joke
The one with a big flames, right?
Which one?
The red one
Miyama-san, I'm going to do the Flambe so could you pass the wine?

That's right
Of course we'll be happy
Erm guys, is it alright to let Otonashi who's a guy be in-charge of the main dish? What's a girl's opinion of a guy's handmade food?
It's not unnatural



It's to cover up the smell of the meat and also to make it more appetizing
Hmm
Flambe was it?
Why are you doing that?
Pop



The last remark was unnecessary
Though that's never going to happen
Even you'd be happy to receive a girl's handmade food, wouldn't you?
Leave me be

What exactly are you trying to suggest?
Miss Saki
Kyouya, don't you reek of sweat?
So if something smells bad you can just burn it away right?
Which means,

So would you be happy if I gave you my handmade food someday?
You just don't understand a maiden's heart, do you?
So obviously it works the other way around as well
Maiden huh.

I'm not hot! I am not hot!!
(Hot) Kyouya
Yes let's!!
Let's burn Kyouya
Even Otonashi
fu fu fu

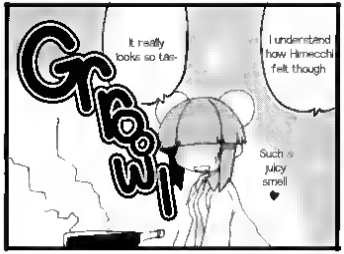
Don't say it's gross!!
That's gross
Gross!?
What's the point of our conversation earlier

To get the air out, you need to throw it around like you're playing catch
Preventing it from cracking during grilling.
What are you two doing?
Q.

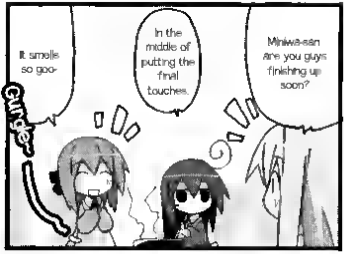
Hamburger
Throw
Whoosh
It's not good to play with food like that
Then if a pitcher shoots a 'Flaming ball' it's to hurl the hamburger and get the air out--
HUH !?
What are you talking about

Hamburger
BAM
The mitt would explode when it's caught
Wouldn't it be 'well cooked to the maximum' the moment it lands on the catcher's mitt!?
If that's the case
Explode!?
How's tha- possible

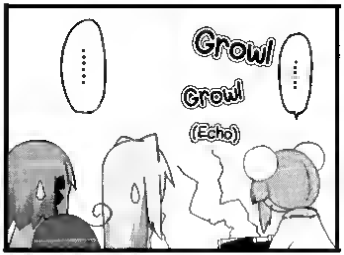
Phrase from Monster Hunter on steaks



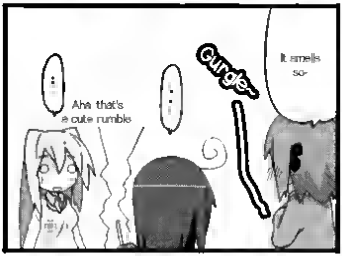
Grab
It really looks so tas-
I understand how Himecchi felt though
Such a juicy smell ♥



It smells so goo-
In the middle of putting the final touches.
Miniwa-san are you guys finishing up soon?
Gurgle

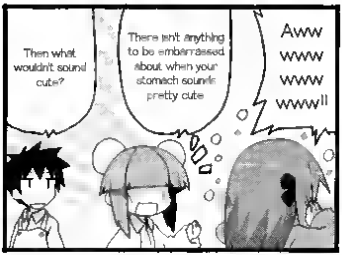


Growl
Growl
(Echo)



Aha that's a cute rumble
Gurgle
It smells so-

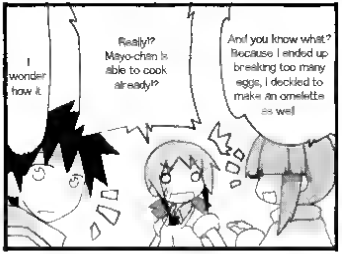
She just pretended it didn't happen!?
SHOCK
-ty, doesn't it?



Then what wouldn't sound cute?
There isn't anything to be embarrassed about when your stomach sounds pretty cute
Aww
www
www
www!!

If you understood all that, couldn't you have just let it go!?
Such a straightforward declaration of hunger After hearing Hime-chan's cute stomach rumble did that make you feel embarrassed as a girl?
Blush
Is that how it is?
fu fu

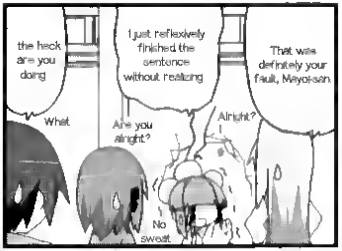
Hungry
That's the sound of an explosion..
KABOOM
Kabo oooo oom!!
Why am I the example!?
I don't like it



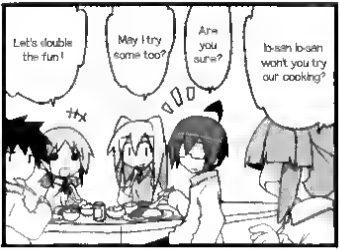
I wonder how it
Really!? Mayo-chan is able to cook already!?
And you know what? Because I ended up breaking too many eggs, I decided to make an omelette as well

Hashed beef omelette

See Kyoshinhei from Nausicaa of the Valley of the Wind.



the heck are you doing
What
I just reflexively finished the sentence without realizing
Are you alright?
No sweat
That was definitely your fault, Mayoi-san
Alright?



Let's double the fun!
May I try some too?
Are you sure?
Io-san Io-san won't you try our cooking?

Come on Io-kun Aren't you suppose to say something to girls who can cook well?
To Meiwa-san♥

Io-kun's dish tastes great too.
